As the airport and train station are far away from the North Campus of BCU, BCU will provide the shuttle bus for international students depending on the start time of the international student program. To avoid students getting lost, we strongly recommend them to arrive and return together as a group, so that they can take the shuttle bus provided by BCU.

Students should register at the police station immediately after they arrive. The registration for accommodation can only be done from 8:30 to 17:00 (Beijing Local Time) from Monday to Friday at police station. So we strongly recommend students NOT to arrive on weekends or at night, otherwise they will not be able to register for accommodation immediately, which is illegal.

Students need to arrive and leave China according to the date specified in the program. If they arrive early but do not inform us and do not register at the police station, they will be in violation of laws and will be recorded. If students do not leave China during the validity period of the visa, they will be punished by the Immigration Bureau and be repatriated.
